Education & Training

Education & Training is a Strategic Business Unit of HLB MAURITIUS and it is led by HLB Business School (Mauritius) Ltd, a modern Training Institution which fosters the aim of providing skill development, knowledge dissemination and continuous professional education to the public at large. The training institution is registered with the 'Mauritius Qualifications Authority'.

ABS was launched more than seventeen years ago in January 2003 and fits in the high market

range of Corporate Training Institutions with a very determined motto:

...Provide innovative Training, Upskilling and Education relevant to the Corporate sector...

About the Promoters

The promoters of HLB Business School (Mauritius) Ltd is HLB MAURITIUS which is the new brand name of 'Appavoo Group' which specializes in Finance, Management and Development. The Group is the independent member firm of HLB, the global accounting and advisory network with presence in some 160 countries and employing more than 27,000 people in some 750 offices worldwide. HLB is a prominent name in the business world whether locally or at international level and 'Education & Training' is for the network a key driver to spur business growth through increased knowledge, expertise and best practices.

HLB Business School (Mauritius) Ltd has been present in the Education Sector over nearly two decades and it has contributed in a substantial manner in the development of Corporate Training and Continuous Professional Development ("CPD") in Mauritius.

Our Vision

Achieve leadership position at national level as a reputed Business School furthering education, professional training, knowledge and skill development.

Our Mission

To operate a Business School of high international standing, recognised for excellence in teaching, relevance of programmes, rigour of its academic pursuits, and contributing broad national level to the advancement of education, knowledge, and skills to the community.

Quality Management System

HLB Business School (Mauritius) Ltd has put in place a Quality Management System (QMS) which enforces its quality standards, establishes procedures for the provision of training which meets and exceeds learners' expectations and satisfies external quality system requirements. In line with The Business Facilitation (Miscellaneous Provisions) Act 2019, the QMS is a comprehensive framework which includes the policies, procedures, organisational structure, codes of conduct, and self-assessment to ensure that quality is maintained to the highest level.

The foundation of our QMS is built on our corporate values, beliefs and culture. A permanent Board which includes independent members oversees the QMS system.

School location and learning centres

HLB Business School (Mauritius) Ltd operates at **APPAVOO BUSINESS CENTRE**, the Group's Corporate Headquarters located in Mère Barthélemy Street, Port-Louis, Mauritius.

Dedicated Location

The Seventh Floor of Appavoo Business Centre is dedicated to the training institution. The floor has been carefully designed to welcome students and trainees within a pleasant ambiance and it offers latest technological support for high level learning.

Learning Infrastructure

HLB Business School (Mauritius) Ltd makes use of the latest Technologies in its training delivery. Being part of the HLB Network (www.hlb.global), we have access to international best practices through Webinars, Seminars, Conferences and up to date training materials. Modern classrooms have been setup with high tech equipment including slide projector, video projector, suspended screens and audio facilities.

Apart from two classrooms facilities of 25 and 12 seats respectively for the delivery of Training, ABS also runs its training 'behind doors' at clients' premises or at special venues in 5-star hotels to accommodate large groups of participants.

Teaching Methodologies

HLB Business School (Mauritius) Ltd combines classroom training with on-line training. Teaching Methodologies include the following:

- Open Lectures with presentations, videos, and practical exercises
- Case Studies
- Group Discussions
- Assessments and Questions & Answers
